

## Lansdowne Infants' Equality Objectives

We are committed to meeting our responsibilities under the Equality Act 2010 to eliminate discrimination and ensure equality of opportunity for all members of our school community.

Within our School Development Plan, we include specific and measureable equality objectives. These are kept under review.

### Objectives for 2014-18:

- To further develop strategies and assessment opportunities to identify vulnerable learners, understand their needs and target provision
- To ensure all adults in school understand the new SEND legislation, to support all SEND learners to make good progress
- To raise the attainment of SEND pupils in the KS1 phonics check
- To be mindful of gender when planning the curriculum to ensure all learners are engaged and achieving equally.
- To ensure all children are supported during times of need through our HOPE and Positive Play programmes so that emotional well-being impacts positively on achievement
