

## Year Two, Nursery and Pre Nursery class photos

The school photographer will be visiting our school on Tuesday 4th June to take group photographs of Year 2, Pre Nursery, morning Nursery and afternoon Nursery classes.

## Nursery September 2019

Lansdowne will be posting out letters offering places for Nursery in September 2019, which parents should receive by 7th May 2019. This will include a slip for you to indicate whether you would prefer morning or afternoon session.

## Year One Trip to Kedleston Hall

On Thursday 9th May, our Year One pupils will have the opportunity to visit Kedleston Hall as part of their ongoing Geography project. The cost of the trip will be £10 per pupil—money should be sent in by Friday 3rd May please. Children should wear their normal school uniform, but will also need a warm, waterproof coat and sensible shoes/trainers. School will be providing the children with a packed lunch. Please ensure that children are in school promptly as the coach will be leaving at 9.00am. They are expected to be back in time for normal collection at 3.05pm

## Summer Shoes & Uniform

Please may we request that you send your children to school in sensible shoes. Children often slip when walking and running in loose sandals and every summer we see a number of children who rip their toe nails whilst playing outside in shoes which are open at the front. This can be painful and very distressing for them.

## E-Safety

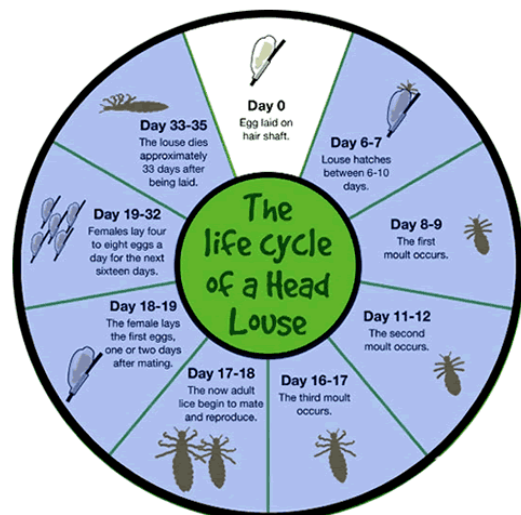

If you see something online that makes you feel uncomfortable, unsafe or worried: leave the website, turn off your computer if you want to and tell a trusted adult immediately.

## Head Lice

Sadly there are a number of children who have head lice in school. These children are then passing them on to others who have been treated and who were clear. This is, understandably, very annoying and frustrating for the many parents who do treat their children on a regular basis.

Please check your child's hair and treat if necessary. This includes washing the towels and pillowcases to prevent re-infection. We recommend you check on a weekly basis.

## Healthy Eating Tips

 Limit portion sizes. Don't insist your child cleans the plate, and never use food as a reward or bribe.

 Make healthy snacks available. Keep plenty of fruit, vegetables, and healthy beverages (water, milk, pure fruit juice) on hand so kids avoid unhealthy snacks like fizzy pop, crisps, and biscuits.

 Disguise the taste of healthier foods. Add vegetables to a stew, for example, or mash carrots up with mashed potato, or add a sweet dip to slices of apple.
